ABOUT THE PROGRAMME

St. Lucia's CIP allows qualified individuals and their family to apply for Saint Lucian citizenship through an Authorized Agent. In Saint Lucia, qualified individuals are able to invest in either approved real estate projects, make a donation to the Government of Saint Lucia, purchase of Government bonds or to engage in an approved enterprise project. The CIP was created with the aim of propelling the growth of the local economy, create employment and opportunities for Saint Lucians and also to revitalize and expand the island's number top foreign exchange earner, the Tourism industry.

ABOUT US

Century Capital Inc. in January 2016 became the first Licenced Authorised Agent under the Citizenship by Investment Program in Saint Lucia. Century Capital is a full service advisory firm which provides services associated with acquiring citizenship by means of various investment options. The core objective of Century Capital is to guide and provide assistance to affluent individuals and their families through the intricacies of investing in a foreign country with the aim of obtaining citizenship and/or residency.
